COMMISSIONAIRE MOBILE PATROL

Commissionaires will help you maintain the integrity of your business or residential security.

We will work with you to address your security concerns.

Commissionaires Victoria has 5 levels of mobile patrol:

Basic Patrol

Inspection and visual check of exterior property, doors, and windows

Enhanced Patrol

Conduct inside and outside patrols and inspections of sensitive areas, high value cargo areas, or any other area deemed susceptible to loss.

Alarm Response

For an unscheduled opening, (a failure to set a break-in or an environment alarm) Commissionaires provide a reliable response to your requirement.

Bylaw Enforcement

The bylaw enforcement service is offered to building owners, managers and property managers. The service helps them enforce their private parking bylaws by responding to complaints of illegally parked vehicles on their property.

Residential Service

Check home for intrusion or damage and other required services such as collecting mail, turning lights on and off, inspection for power failure, flooding or damage from natural causes—wind damage, roof or window leaks etc.
