RECEIVED

Dear Sir:

This letter is to inform you that I was the successful candidate for the Municipal position of Bylaw Compliance Officer for District of Oak Bay. My employment will commence on September 5, 2006; therefore, I will retire from the Commissionaires as of September 5, 2006.

I want to take this time to thank the Corps for the employment opportunities that I have experienced in fourteen years of employment. I left the military after twenty-three years, moving out to Victoria with employment in place. Unfortunately, after three months the business I was employed with went bankrupt. Being in the military family, I always knew about the Commissionaires and turned to the Corps for employment.

The Corps has enabled me to learn numerous skills that have allowed me to pursue a career in bylaw enforcement, from guarding the Dockyard gate, to issuing parking tickets in Victoria, doing bylaw in Central Saanich and Oak Bay. It has been a positive experience. I would not hesitate to recommend the Corps for any employment opportunities.

Please pass on my thanks to the Headquarters staff for all they have done for me over the last fourteen years.

Sincerely,

Ben Manning
